Re: 2020 Street and Utility Improvement Project
2nd Public Informational Meeting
City of St. Anthony Village, MN
WSB Project No. R-013680-000

Dear Resident/Owner:

The City of St. Anthony Village invites you to attend the second public informational meeting to discuss the proposed 2020 Street and Utility Improvement Project. **This meeting will be held at City Hall on Wednesday, November 13, 2019, at 7:00 p.m., in the Council Chambers.**

The purpose of this meeting is to share the draft project plans to date. The current designs incorporate many of the comments and suggestions we've received in previous meetings and conversations. Prior to completing final design, the City would like to provide residents an additional opportunity to provide input and ask questions regarding the project. It is anticipated that construction will commence on the project in late-April or early-May 2020.

We look forward to discussing the 2020 Street Reconstruction Project and answering any questions you may have regarding the project on November 13, 2019.

If you are unable to attend but have any questions, please call me at 651-286-8465.

Sincerely,

A handwritten signature in black ink, appearing to read "Justin Messner".

Justin Messner, PE
City Engineer

cc: Mark Casey, City of St. Anthony Village
