Tuesday, May 25, 2021, Saint Anthony Village,

MN – The City of Saint Anthony Village received an award for being a Steps 4 and 5 city in the Minnesota GreenStep program. Saint Anthony Village is one of 143 participating cities and tribal nations in the 11-year-old challenge, assistance, and recognition program.

“This award shows community members and other cities across Minnesota that the City of Saint Anthony Village is taking great steps in the direction of energy and resource conservation and innovation,” shared Charlie Yunker, City Administrator and GreenStep program lead with the City of Saint Anthony Village.

Saint Anthony Village has worked hard to implement best practice actions in order to meet their own sustainability goals with support from the GreenStep program and their peers. Actions taken within the program focus on cost savings, energy use reduction, resource conservation, climate change, and the encouragement of civic innovation. You can learn more about Saint Anthony Village's efforts at <https://greenstep.pca.state.mn.us/city-detail/12419>.

"This award is a great achievement for the City of Saint Anthony Village," Charlie Yunker continued. "And by being part of the program, Saint Anthony Village and our peers are helping to make Minnesota more resilient for the future while also helping our cities thrive economically."

About GreenStep: Minnesota GreenStep is a voluntary challenge, assistance, and recognition program to help cities and tribal nations achieve their sustainability and quality-of-life goals. This free continuous improvement program is based upon 29 best practices that are tailored to Minnesota cities and tribal nations. More at www.MnGreenStep.org.
