

City of St. Anthony
CITY COUNCIL WORK SESSION

Minutes

February 28, 2023

Present:

Mayor & Council:

Randy Stille, Mayor, Bernard Walker, Thomas Randle, Wendy Webster, Jan Jenson, Councilmembers

Staff:

Charlie Yunker, City Manager

Consultants:

Sara Peterson, Sara Peterson Consulting

Call to Order:

Mayor Stille called the Work Session to order at 6:00 p.m.

2023 Pyramid:

Staff presented the two versions of the Pyramid as request at the February 14, 2023 work Session. The two versions represented two variations on the City's new Vision Statement.

The Council held extensive discussion on the options, and chose to the statement to read as "Saint Anthony is a Village where all people can live, work, learn, play and thrive" and will officially adopt at the March 14, 2023 regular meeting.

Open Parks & Environmental Commission Seat:

Staff applications from the most recent poll of applicants in late 2022, as Council requested for review. All applicants were still interested and willing to serve on the Parks & Environmental Commission regardless of which commission they had originally applied for.

Council discussed and selected Cody Holliday for the open seat. The Council agreed to add it to the agenda on the regular meeting after this worksession so the new member is able to participate in the March 6, 2023 regular meeting of the Parks & Environmental Commission.

Urban Land Institute Technical Assistance Panel:

Staff presented a draft application for the Urban Land Institute Technical Assistance Panel, which was an avenue the Council agreed to pursue from the joint work session with both City commissions where green space in and around Silver Lake Village was discussed. Council had no changes, and staff will send the application to Urban Land Institute in the hopes of holding a panel discussion in the Spring.

Future Work Sessions:

Next Work Session will be held on March 28th, 2023, at 6:00pm in the Council Chambers.

Adjournment:

The meeting adjourned at 6:52 p.m.

Respectfully submitted by Charlie Yunker, City Manager.
