Residential parking: Council discussed proposed amendments to residential parking. They discussed some edits that were needed to the diagram and were interested in hearing the Planning Commission's recommendations as it related to parking in the rear yards. The council supported bringing the code amendments to the Planning Commission for discussion.

Temporary Structures: Council discussed temporary structure code amendments and by consensus agreed to move this item to Planning Commission for discussion.

Council was in consensus that standards should be set for temporary signs, and supports bringing code amendments to the Planning Commission for discussion.
