CITY COUNCIL WORK SESSION

Minutes

June 27, 2023

Present:

Mayor & Council:

Randy Stille, Mayor, Bernard Walker, Wendy Webster, Councilmembers

Absent:

Thomas Randle, Jan Jenson

Staff:

Charlie Yunker, City Manager, Steve Grittman, City Planner

Call to Order:

Mayor Stille called the Work Session to order at 5:50 p.m.

THC Licensing:

City Planner, Steve Grittman reviewed the staff memo describing the process that took in reviewing approaches taken on licensing in other cities and adapting those example ordinances to follow the current approach the City has in place for tobacco and alcohol licensing.

Staff presented the Council with specific discussion topics to determine how the Council wished to limit licensing, if desired, based on a total number of licenses, the nature of the licensee or the nature of the business, as well as licensing manufactures.

Council discussed extensively and the consensus was to license in the same manner as tobacco and alcohol. The eligible licensees will be limited to the current tobacco and alcohol license holders, and dedicated sampling business will not be allowed. Council also discussed manufacturing and that will be prohibited at this time, and can be revisited in the future.

Staff will bring the ordinance, incorporating Council discussion, to the next regular City Council meeting for consideration.

Future Work Sessions:

Next Work Session will be held on July 11th, 2023, at 5:45pm in the Council Chambers.

Adjournment:

The meeting adjourned at 6:47 p.m.

Respectfully submitted by Charlie Yunker, City Manager.
