

City of St. Anthony
CITY COUNCIL WORK SESSION

Minutes

July 25, 2023

Present:

Mayor & Council:

Randy Stille, Mayor, Bernard Walker, Jan Jenson, Thomas Randle, Councilmembers

Absent:

Wendy Webster, Councilmember

Staff:

Charlie Yunker, City Manager, Steve Grittman, City Planner

Call to Order:

Mayor Stille called the Work Session to order at 6:00 p.m.

Brew Pub Licensing:

City Planner Grittman introduced the item by reviewing the steps the City has taken on this topic to date, and reviewed the four proposed categories of establishments, and the distinctions between them.

Mayor Stille facilitated the Council discussion by focusing on each category individually for questions or concerns around each specific type of establishment. Overall, the Council had no major concerns on allowing any of the types of establishments to operate. Council would like continued input from the City's Liquor Operations Manager as the process to formalize these proceeds.

Food Trucks:

City Planner Grittman again introduced the item with a review of past discussion and work done on the draft to date. Council had no major concerns but asked staff to further research the distance a food truck should be away from established restaurants to avoid unfair competition. Staff will do so, and input from the Planning Commission will take place at one of their future meetings.

Future Work Sessions:

Next Work Session will be held on August 8th, 2023, at 5:45pm in the Council Chambers.

Adjournment:

The meeting adjourned at 6:49 p.m.

Respectfully submitted by Charlie Yunker, City Manager.
