

City of St. Anthony
CITY COUNCIL WORK SESSION

Minutes

September 27, 2022

Present:

Mayor & Council

Randy Stille, Mayor, Bernard Walker, Thomas Randle, Councilmember, Jan Jenson, Councilmember

Staff:

Charlie Yunker, City Manager

Consultants:

Dan Krivit, Foth Infrastructure & Environment, LLC

Call to Order:

Mayor Stille called the Work Session to order at 5:45 p.m.

Waste Hauler RFP Results:

City Manager Yunker reviewed the overall RFP process and the process the staff review team undertook to evaluate the proposals. Each proposal was scored based on the submission, and interviews with each respective haulers representatives were conducted to gather clarifying information.

The end result is a preliminary staff recommendation to enter into negotiations with Aspen Waste Systems, Inc. While including reopener clauses for organics collection and weekly recycling to be able to adapt as trends change over the term of the contract.

Councilmember Jensen asked for a price comparison to how the current contract pricing would compare to the proposals. Staff will include that in the Council presentation on October 11, 2022.

Dan Krivit reviewed the financial analysis that Foth prepared for staff to consider. Foth will provide the price comparison for staff to include in the Council presentation. Councilmember Webster asked for Foth's opinion of the reopener clauses, and Dan stated they considered those good approaches for areas that are difficult to solidify in approach at this particular time. And final language will be guided by the city attorney through the contract negotiations.

Council discussed the summary of the proposals and the preliminary staff recommendation. The Council consensus was to bring the recommendation to the regular City Council meeting on October 11, 2022.

Future Work Sessions:

Next Work Sessions will be held on October 11th, 2022, at 5:45pm in the Council Chambers.

Adjournment:

The meeting adjourned at 6:13 p.m.

Respectfully submitted by Charlie Yunker, City Manager.
