

Government Alliance on Race and Equity (GARE)

by Charlie Yunker, Assistant to the City Manager

The Government Alliance on Race and Equity (GARE) is focused on normalizing conversations about race, operationalizing new policies, practices and organizational cultures, and organizing to achieve racial equity. We are seeing more and more jurisdictions that are making a commitment to achieving racial equity, focusing on the power and influence of our own institutions, and working in partnership across sectors and with the community to maximize impact.

The city began participation in GARE in 2017 and will continue with the program in 2019, and the city's team will meet throughout the year and collaborate with other city's teams while carrying out the city's Race & Equity Plan.
